

# **Sports Premium Funding Strategy 2021-22**

# Introduction

Most schools with primary-age pupils receive PE and Sport Premium funding. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that schools should use the premium to:

- Develop or add to the PE and sport activities that they already offer
- Make improvements now that will benefit pupils joining the school in future years

For example, schools can use funding to:

- Hire qualified sports coaches to work with teachers
- Provide existing staff with training or resources to help them teach PE and sport more effectively
- Introduce new sports or activities and encourage more pupils to take up sport
- Support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- Run sport competitions
- Increase pupils' participation in the School Games
- Run sports activities with other schools

## Our Vision for PE and Sport

At Roundhay School, physical activity and sport are essential to our educational ethos. We believe that active and healthy children are more likely to be well-motivated, happy children. We aim to deliver a balanced program offering a variety of activities to enhance skills in physical education. Our PE and sport aspires to build self-confidence, resilience, teamwork and leadership skills enabling each and every child to be the best they can be.

We aim to:

- Develop self-esteem, skills and knowledge
- Pursue excellence and enjoyment
- Be proud of our own achievements and others
- Promote fair play and respect
- Educate children to improve health and wellbeing
- Provide quality opportunities for children within and outside of school time

## Our Key Areas to Develop

For 2021/22, we have chosen to use our Sports Premium funding in five key areas:

1. To engage all pupils in regular physical activity – Chief Medical Officer Guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school
2. The profile of PESSPA being raised across the school as a tool for whole school improvement
3. To increase confidence, knowledge and skills of all staff in teaching PE and Sport

4. To offer a broader experience of a range of sports and activities to all pupils
5. To increase participation in competitive sport

## Our PE and Sports Premium Budget

Sports Premium Budget for 2021-22: £19,940

### How has this been calculated?

Taken from the Department for Education Website:

**“Funding for 2021-22**

*Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6.*

*Schools with 16 or fewer eligible pupils receive £1,000 per pupil. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.”*

At the time of the January 2021 census, upon which the 2021/22 funding is based, Roundhay School (Primary Campus) had 394 children on roll in Years 1 to 6.

$$£16,000 + (394 \times 10) = £19,940$$

### How are we intending to spend our 2021/22 budget?

Breakdown of spending	Cost
Creation of temporary Enrichment and Extra-Curricular Coordinator role in school. This role is responsible for coordinating extra-curricular activities, to track attendance and to target those who do not yet benefit by attending an extra-curricular activity	£1500
Coaching to support targeted staff to develop the effectiveness of the delivery of Physical Education (provided by Leeds United FC)	£2,565.62
Significantly extending/establishing and funding attendance of sport clubs and activities and holiday clubs, as well as broadening the variety of activities offered. During the 2021-22 academic year, our extra-curricular activities offer has been increased to two clubs per day.	Cost of Specialist coaches (Leeds United Foundation): £6,414.04  Cost of Specialist Yoga instructor: £990

	<p>Cost of staff coaches: £5,414.24</p> <p>Cost of resources needed to facilitate club: £3,410</p>
Adoption of Active Mile initiative	£0

• <b>Total Cost:</b>	<b>£21,493</b>
----------------------	----------------

## **Key Area for Development 1**

To engage all pupils in regular physical activity – Chief Medical Officer Guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

1. Implementing ‘Active Leaders Programme’ to support children to be active during break and lunch times through guided and supported play activities
2. Continued development of after-school sports clubs, and to implement lunch time sports clubs for children in Y1 -6 to increase the engagement of pupils in regular physical activity

### **Planned Impact:**

- Increase in engagement of regular physical activity through a variety of aerobic activities during lunchtime.
- To further increase in the number of children participating in extra-curricular activities through a range of after-school clubs
- To introduce new sports or activities and encourage more pupils to take up sport through after-school clubs

This key area focuses on increasing the number of children involved in sport and activities during break times and after school. Children from Year 1 to 6 will be offered free, weekly extra-curricular activities throughout the year.

## **Key Area for Development 2**

The raise the profile of PESSPA across the school as a tool for whole school improvement

1. To raise awareness of different sporting activities on offer through correspondence with parents and regular assemblies for children
2. To celebrate sporting achievements of children in school to further encourage future participation and successes; and to encourage others to follow in their footsteps by participating in sporting activities

### **Planned Impact:**

- To increase participation from children by raising the profile of sports by recognising achievements and successes in sport and PE related activities in celebration assembly

### **Key Area for Development 3**

To increase confidence, knowledge and skills of all staff in teaching PE and Sport

- I. Targeted teaching staff to work closely with Sports coach from Leeds United FC (observation, team-teaching, planning support, evaluative discussion) to increase their effectiveness of delivering high quality PE lessons

#### **Planned Impact:**

- Increased enjoyment in participation of PE lessons for children
- A greater proportion of time during each lesson where children are aerobically active

### **Key Area for Development 4**

To offer a broader experience of a range of sports and activities to all pupils

- I. To further develop after-school sports clubs and to implement lunch time clubs for children in Years 1-6 covering a broad range of sports

#### **Planned Impact:**

- To facilitate additional skills needed to participate in multi-school competitions, festivals and tournaments
- To develop a positive approach to competition, focusing on celebrating the successes of others as well as ourselves, working as a team and supporting and encouraging our team mates to excel

This key area focuses on demonstrating to children the enjoyment of participating, with a view to developing individuals' sport participation both in and out of school.

### **Key Area for Development 5**

To increase participation in competitive sport

- I. Continued development of multi-school competitions and tournaments through the North East Leeds Well School Partnership for 2021-22.

#### **Planned Impact:**

- To further increase opportunities for multi-school competitions, festivals and tournaments
- To develop a positive approach to competition, focusing on celebrating the successes of others as well as ourselves, working as a team and supporting and encouraging our team mates to excel

This key area also focuses on demonstrating to children the enjoyment of participating, with a view to developing individuals' sport participation both in and out of school.
