

We are absolutely delighted to announce that the CEE Team have earned THE QUALITY IN CAREERS STANDARD AWARD. Many of you will recall taking part in the Assessment Day back in May and it is fantastic that they have now received such recognition for their hard work. I am sure that you will join me in congratulating them.

Throughout the process of observation, interview and review of extensive evidence, the awarding body commented that the CEE Team are ***“committed to providing a high quality, inclusive programme of CEIAG and their passion and enthusiasm is both refreshing and inspiring”***.

This confirms that we are fulfilling all of the statutory requirements for careers information, advice and guidance and I know that the CEE Team would like to thank everyone for their continued support for the work they do.

“The range and quality of career-related activities is outstanding” Kathryn Lea- Williams, C&K Careers, (2018)
