Roundhay School (Primary Campus)

Sports Premium Funding 2018/19

Introduction

Most schools with primary-age pupils receive PE and Sport Premium funding. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that schools should use the premium to:

- Develop or add to the PE and sport activities that they already offer
- Make improvements now that will benefit pupils joining the school in future years

For example, schools can use funding to:

- Hire qualified sports coaches to work with teachers
- Provide existing staff with training or resources to help them teach PE and sport more effectively
- Introduce new sports or activities and encourage more pupils to take up sport
- Support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- Run sport competitions
- Increase pupils' participation in the School Games
- Run sports activities with other schools

Our Vision for PE and Sport

At Roundhay School, physical activity and sport are essential to our educational ethos. We believe that active and healthy children are more likely to be well-motivated, happy children. We aim to deliver a balanced program offering a variety of activities to enhance skills in physical education. Our PE and sport aspires to build self-confidence, resilience, teamwork and leadership skills enabling each and every child to be the best they can be.

We aim to:

- Develop self-esteem, skills and knowledge
- Pursue excellence and enjoyment
- Be proud of our own achievements and others
- Promote fair play and respect
- Educate children to improve health and wellbeing
- Provide quality opportunities for children within and outside of school time

Our Key Areas to Develop

For 2018/19, we have chosen to use our Sports Premium funding in three key areas:

1. To engage all pupils in regular physical activity – Chief Medical Officer Guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school
2. To raise the profile of PE and sport across school as a tool for whole school improvement
3. To increase confidence, knowledge and skills of all staff in teaching PE and Sport

4. To offer a broader experience of a range of sports and activities to all pupils
5. To increase participation in competitive sport

Our PE and Sports Premium Budget

Sports Premium Budget for 2018/19: £19,920 (approximate figure)

How has this been calculated?

Taken from the Department for Education Website:

“Funding for 2018-19

Schools with 16 or fewer eligible pupils receive £1,000 per pupil. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.”

At the time of the January 2018 census, upon which the 2018/19 funding is based, Roundhay School (Primary Campus) had 392 children on roll.

$$£16,000 + (392 \times 10) = £19,920$$

Key Area for Development 1

To engage all pupils in regular physical activity – Chief Medical Officer Guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

1. Embedding 'Play Leaders Award' to support children to be active during break and lunch times through guided and supported play activities
2. Development of after-school sports clubs for children in Y1 -6 to increase the engagement of pupils in regular physical activity

Planned Impact:

- Increase in engagement of regular physical activity through a variety of aerobic activities during lunchtime.
- Increase in the number of children participating in extra-curricular activities through a range of after-school clubs
- To introduce new sports or activities and encourage more pupils to take up sport through after-school clubs

This key area focuses on increasing the number of children involved in sport and activities during break times and after school. Children from Year 1 to 5 will be offered free, weekly extra-curricular activities throughout the year.

Key Area for Development 2

To raise the profile of PE and sport across school as a tool for whole school improvement

1. To raise awareness of different sporting activities on offer
2. To celebrate sporting achievements of children in school to further encourage future participation and successes; and to encourage others to follow in their footsteps by participating in sporting activities

Planned Impact:

- To increase participation from children by raising the profile of sports by recognising achievements and successes in sport and PE related activities in celebration assembly

Key Area for Development 3

To increase confidence, knowledge and skills of all staff in teaching PE and Sport

1. Implementation of multi-school competitions and tournaments
2. SLA – Active Schools

Planned Impact:

- To facilitate multi-school competitions, festivals and tournaments
- To develop a positive approach to competition, focusing on celebrating the successes of others as well as ourselves, working as a team and supporting and encouraging our team mates to excel

This key area focuses on demonstrating to children the enjoyment of participating, with a view to developing individuals' sport participation both in and out of school.

Key Area for Development 4

To offer a broader experience of a range of sports and activities to all pupils

3. Implementation of multi-school competitions and tournaments
4. SLA – Active Schools

Planned Impact:

- To facilitate multi-school competitions, festivals and tournaments
- To develop a positive approach to competition, focusing on celebrating the successes of others as well as ourselves, working as a team and supporting and encouraging our team mates to excel

This key area focuses on demonstrating to children the enjoyment of participating, with a view to developing individuals' sport participation both in and out of school.
