Dear Parent / Carer

Secondary Campus Vehicle Access, Parking and Stopping

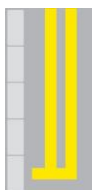

Unfortunately I need to write once again to ask for your cooperation regarding unauthorised vehicle entry into the school grounds at the beginning and end of the school day!

Our priority at Roundhay School is to ensure the health and safety of all our pupils and staff, which is currently being put at risk by a small number of individuals. Therefore, I would like to deliver this polite reminder of the following requirements that should be observed by all parents / carers:

- Parents / Carers are **NOT** permitted to enter the school grounds by car to drop-off / pick-up pupils at the beginning or at the end of the school day, unless a special access pass is displayed in the front window of the car.
- Special access passes have been issued to all pupils that qualify but if you still need to collect your pass please contact Main Reception.
- If you are in possession of a special access pass, please ensure this is clearly displayed at the front of your vehicle and ensure you **do not** use or block entry to the disabled parking spaces at any time unless you are a Blue Badge holder.
- Parents / Carers **MUST NOT** wait or park, stop to set down or pick up passengers, on school entrance markings (Highway Code Rule 382). Rule 243 of the Highway Code reiterates '**DO NOT** stop or park near a school entrance'.

Keep entrance clear of stationary vehicles, even if picking up or setting down children

No waiting at any time

I am sure you will understand that these restrictions are only in place to protect the safety of all our pupils and this includes your child/children!

Your cooperation and assistance is greatly appreciated.

Yours faithfully
