Curriculum Journey

ART

Subject Vision

Our curriculum inspires pupils with a sense of awe and wonder about art and design. They will have their curiosity ignited through diverse and creative investigations informed by great artists; past and present, and our own artistic discoveries.

Aims:

- produce creative work, exploring their ideas and recording their experiences
- become proficient in drawing, painting, sculpture and other art, craft and design techniques
- evaluate and analyse creative works using the language of art, craft and design
- to know about great artists, craft makers and designers, and understand the historical and cultural development of their art forms.
